

■ **Emollients – Performance Oils**

INCI NAME: COCOS NUCIFERA OIL

Akocare Coconut RA SG™

This Rainforest Alliance certified coconut oil is from a fully segregated supply chain traceable to farmer level in the Philippines and also has certification from the Vegan Society.

Akocare Coconut RA SG is a refined coconut oil naturally rich in skin-nourishing lauric fatty acid content. Rainforest Alliance certified segregated coconut is kept separate during all supply chain stages from the farm in the Philippines to production in Sweden.

Recommended applications: general skin care

Appearance: white and solid at room temperature, melting to a clear liquid.

Slip melting point: 25 °C

OSI 110 °C: 65 hours

Certifications and standards: Rainforest Alliance Segregated, Vegan Society, Ecocert, COSMOS Approved, NATRUE Compliant, China Compliant, Halal, Kosher

Akocare Coconut RA SG™

Key features and benefits:

- Akocare Coconut RA SG oil delivers certified traceability in an industry where supply chain transparency is particularly challenging. We are pioneering new ethical standards with this cosmetic grade coconut oil, offering both Rainforest Alliance segregated and Vegan Society certification.
- It contains around 50% lauric fatty acid, renowned for its nourishing and conditioning benefits, making it an excellent choice for general skincare products, including baby care.
